Introduction

Introduction

Who we are and what we do?

Advantage Group Intl is also known as AGI Shipping, and was founded in 2020. AGI is managed by a professional team of shipping experts who have been in the managerial position of the International Freight Forwarding Industry for decades. AGI began its operation by researching, then servicing a trade lane between North America and Far East Countries.

AGI is a young but aggressive company. Our professional team has the strength, resources, experiences and capabilities to provide personalized logistical services to meet our clients' demands.

02

Operation

With a team of enthusiastic, highly responsible staff who are enthusiastic to work, explore, learn and constantly strive to bring AGI SHIPPING to become one of the leading LOGISTICS enterprises in the US.

AGI SHIPPING has an official operation team of 10 members.

The company will constantly supplement personnel to meet market requirements for its development and expansion in the future.

Operation

Strategic logistics planning

Find the most appropriate shipping route that works the best for our customers and minimize the shipping costs.

Specializing in the arrangement of cargo

Arrange appropriate packing, taking into account the climate, terrain, weight, cost and nature of goods and also the delivery and warehousing of goods at their final destination.

Prepare

Obtain, check and prepare documentation to meet customs and insurance requirements, packing specifications, and compliance with other countries' regulations and fiscal regimes.

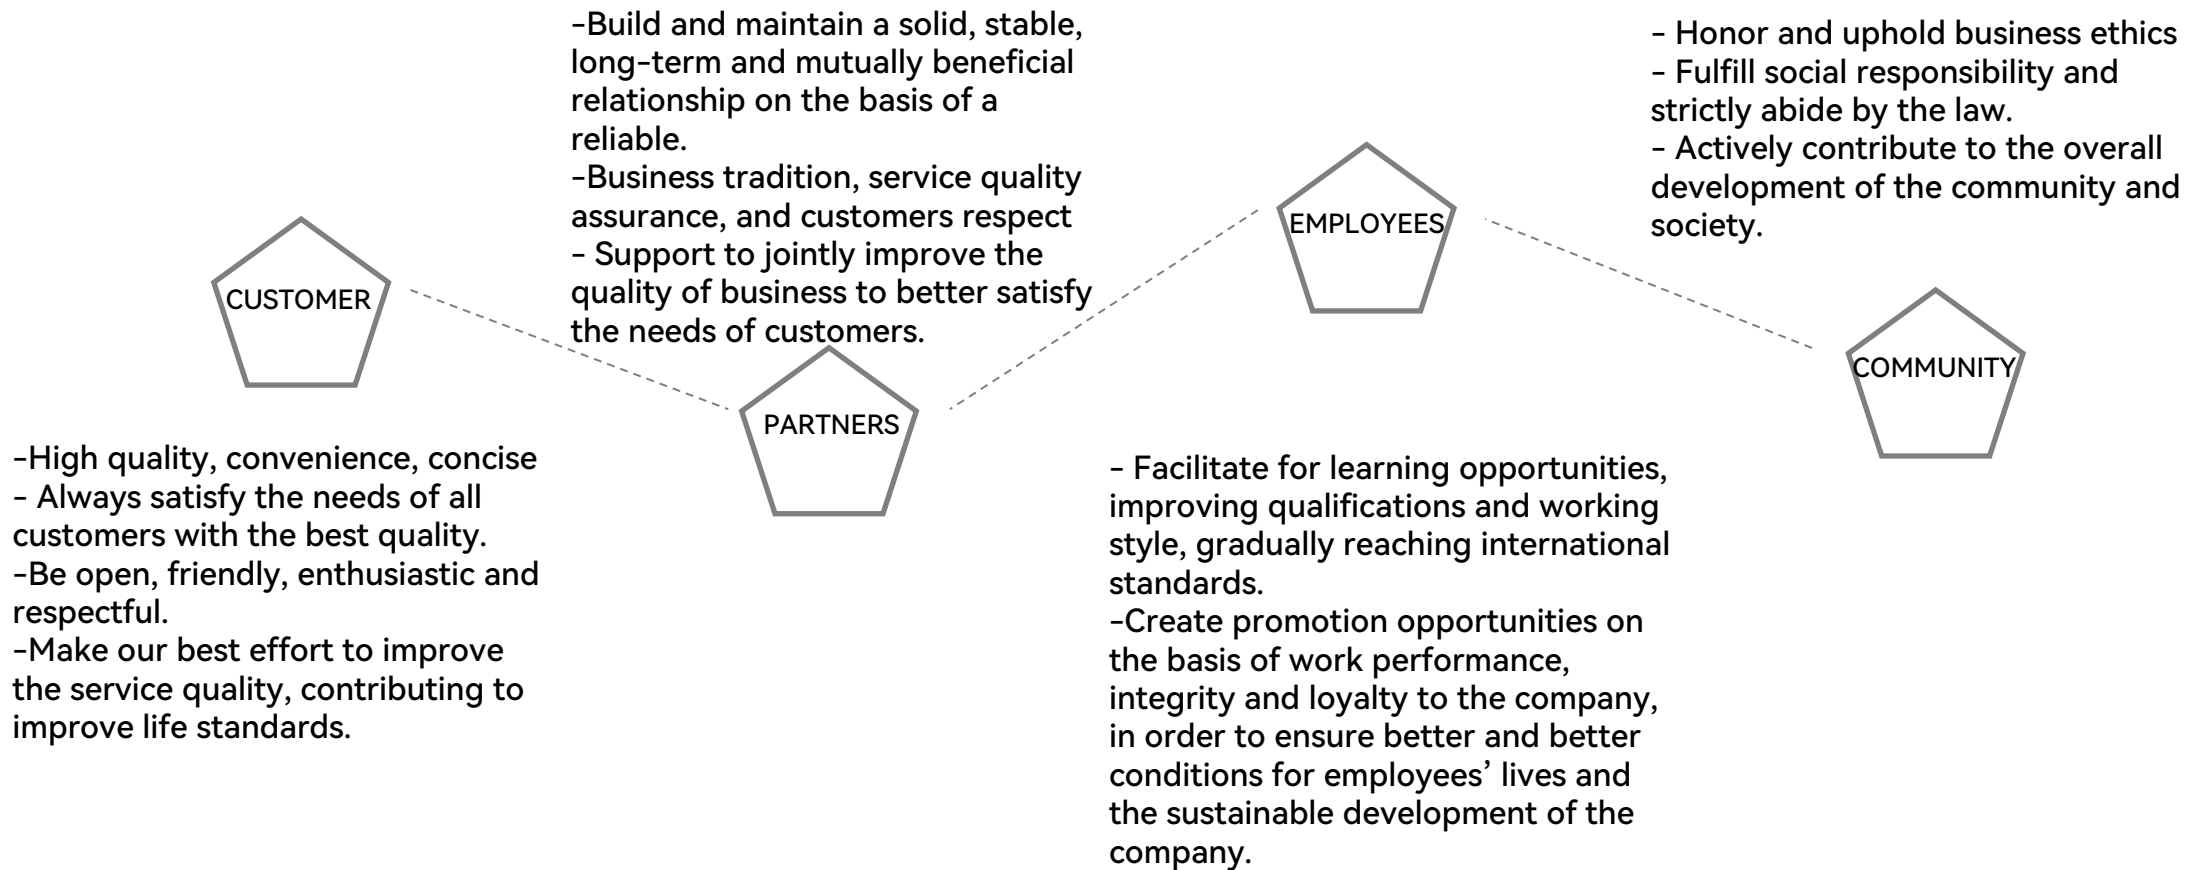

03

Mission

Delivering cargo in time. It's our focus. Turn to our dedicated team for logistical support and lower costs unlocked by technology. So you can focus on your programs and impact—not logistics.
